Mr. Chapman --

My dear Sir: -

Have you in your Silver Stock a Coin of Julius Caesar with his portrait on it? If so please describe it to me as to condition and style and price.

Also one of Augustus with his head on one side and the comet that appeared at the death of Cesar on the reverse.

If you have these and if they are not very expensive I would like to get them.

Yours very truly

My dear Mr. Chapman.

My Client would want a very fine denarius if he takes any, therefor if you can send me few, ranging as you say from 3 to 15 dollars to select from I will be obliged to you.

Also can you send me "The Guide to the Coins of the Ancients" the plates in black, not in

brown ink, I think I can dispose of one of for you.

The Augustus with Comet I have now thank you.

What would Antiochus I and III in very good condition be worth and have you got any.

In much haste
yours truly
